CattleWomen Creed

Believing that the livestock industry is of basic importance to world existence, we, the Tehama County CattleWomen, dedicate ourselves to support it with our labor and finances; promote it through information and publicity; to encourage its producers with our understanding and love; to do all in our power to instill in the coming generation the love of the land and of life, the humility and awe before Nature, and the hope and faith in the future that is inherent in Cattlemen and CattleWomen.
